- Format:** Teams will bowl 3 traditional games with handicap.
- Team handicap:** 90% of 900 per game
- Averages:** Teams cannot exceed a total combined average of 900 based on entering average rules below:
  - Highest USBC certified league average from the previous season, based on 21 games or more. This includes converted Sport/Challenge league averages, USBC Youth averages and summer leagues.

  - If none of the above applies, bowler will use 225 for team cap purposes and will have no handicap in any/all side events.
  - Any bowler who has had his/her average adjusted/related in the past 10 years is required to report that average adjustment/related, whether the bowler accepted that adjustment/related or not, at the time of entry. Failure to comply with these provisions may result in forfeiture of entry fees and prize winnings.
  - Tournament management reserves the right to rerate any entrant prior to bowling. If the entrant refuses the rerate, the entry fees will be refunded.
- Tournament payout will be a minimum of 1:4. Ties will split the money slotted for each place.
